What teachers are saying:

"I highly recommend [this course] to any teacher new or veteran. It's great practical real-life advice that teachers don't learn in college. This was more useful than any pre-service training I've had in years!"
– Angela P. 7th Grade Teacher.

"Your content was just what I needed. When my principal noticed that things were going better, I told her that I had found Teach 4 the Heart. What a blessing!!" – Margie

CM101 Course Topics

Module 1: Prepare Your Heart & Mind

- > Overview of the course, activate support, and commit to your progress

Module 2: Prepare Your Plan

- > Determine key classroom rules, procedures, and expectations

Module 3: Put Your Plan Into Practice
