What teachers are saying:

"If you are struggling with management or feeling overwhelmed by student behaviors, take this course!" – Mary M.

"This program takes you step-by-step through everything and doesn't just leave you to figure it out on your own." – Kristen W.

"After 23 years of teaching I wish I had found you sooner! My biggest takeaway was developing a plan." – Robin F.

YSRC Course Topics:

Week 1: Classroom Expectations & Rules

- > Clearly state the exact behavior you expect from students so you know where to hold the line.

Week 2: Classroom Procedures

- > Plan procedures that will help every area of your class run smoothly - including start-of-day and transitions.

Week 3: Positive Reinforcement & Consequences

- > Plan encouragement, positive reinforcements, and leveled consequences to help enforce your boundaries.

Week 4: Responding to Misbehavior

- > Even with the best structures in place, misbehavior is going to happen. Plan how you'll respond so you don't just react.

Bonus: Start the Year Right

- > Create a detailed Day 1 plan to help you start with respect and clear boundaries.
